

Come! Let us Build for the Glory of God!

Background

Founded as a Preschool in 1953 and expanded to K-8th grades in 2001, Pui Tak Christian School has developed academically prepared Christian disciples to live out the message of restoration and renewal in a world looking for signs of hope. Pui Tak has built on the powerful legacy of its staff committed to Christ, seeing generations of students uniquely prepared to affect the world, bringing restoration in the community and beyond.

Pui Tak is at an important stage in its history. We must move forward in dynamic ways or risk a slow decline to a point of elimination. We must improve and expand facilities to keep pace. We need to cast our vision for urban Christian education to address a changing world.

Purpose of Project

Currently, Pui Tak Christian School is operating under a church facility. Project Nehemiah is proposing a campus of its own. This campus would double the preschool department's size and expand the elementary to its full potential. The new campus is a safe and secure place where we can nurture students academically and spiritually to become agents of renewal for the broken world.

The Problem

- The current facility has reached its full potential
- Restricted classroom capacity
- Multi-usage spaces
- Mobile temporary classrooms
- Inadequate bathroom access
- Two separate locations
- Inappropriate classroom logistics

The Potential

- The new facility would enable Pui Tak Christian School to be a greater part of the solution to the shortage of quality preschool programs in the community.
- An expanded school can have an eternal influence as we can reach more students and families with the Good News of the Gospel.
- Nurture many more agents of God, influencing the world around them for the glory of God.

Scope of Project Nehemiah

Phase I Campaign Goal Completed

- February 2018 — Launched the capital campaign
- October 2018 — Identified potential property
- April 2019 — Closed the deal on the \$3.53 million property for future campus
- November 2019 — Exceeded the \$3.5 million fundraising goal

Phase II Construction of Campus

- 2021-2022 — Quiet phase and position the team to launch Project Nehemiah Phase II
- 2022-2023 — Campaign for the fundraising goal of \$30 million
- 2023-2024 — Break ground for the construction of the new facility

Joy in Learning, Love in Teaching.
